### **Palette Partners: Creating Art through Patience and Trust**

Do you want to get your creative juices flowing but you don't know how? According to Beth Headley, Program Coordinator for the Town of Estes Park's Senior Services Division, "no artistic experience is necessary for this fun and social painting class. All that is required is your creative spirit and a willingness to try something new."

Beth will facilitate a class called, Palette Partners: Creating Art through Patience and Trust on Friday, June 12 from 1:00 to 3:00 p.m. at the Estes Park Senior Center, 220 Fourth Street. The cost for the class is \$16 for members of Estes Park Senior Citizens Center, Inc. or \$20 for non-members and includes all supplies. Register by 4:00 pm., Thursday, June 11. Space is limited, register early.

Painters will work with a partner to create a work of art "blind" – using only verbal guidance from their partner. Beth encourages participants to relax and let go of their critical eye as they learn to "see" art in a new way.

All materials will be provided and participants will take home a 12 x 16 canvas painting of their own creation. Bring ideas for subject matter or get inspired by some of the samples provided at the class.
